ProtectPlus

Protecting you, your assets and loved ones in life and in death

Have you thought about who would control or inherit your Estate if you die without a Will? Does anyone know your wishes regarding long term care or medical options? Who would make decisions about your investments, property and bank accounts if you were unable to do so?

We all know that we should make a Will to ensure that our assets and our loved ones are taken care of when we die, but 58% of us still don't do it! Just as importantly, did you know that you should also make a Lasting Power of Attorney ("LPA") to protect you and your assets should you lose your mental and/or physical capacity during your lifetime?

By making a Will and LPA **YOU** retain control, with the peace of mind that comes from knowing your wishes have been legally put into place.

At Backhouse Solicitors we can give you this peace of mind with a straightforward, clear and cost effective solution called **ProtectPlus**. ProtectPlus provides you with a **FREE** simple Will (worth £150.00) when you make one or more Lasting Powers of Attorney. You simply choose which package level you need:

Package Level	Cost
One Will + One LPA (for Property or Health decisions)	£475.00 + VAT
One Will + Two LPAs (for Property & Health decisions)	£700.00 + VAT
Two Wills + Two LPAs (for Property or Health decisions)	£775.00 + VAT
Two Wills + Four LPAs (for Property & Health decisions)	£1,000.00 + VAT

Backhouse Solicitors offer a **FREE 30 minute no obligation** consultation with an expert solicitor for all Will and LPA matters. Contact us today to book your appointment.
